Re: I79-14 (R78-61)

Dear Rep. Corpstein:

On February 28, 1978, you wrote then Attorney General Bruce Babbitt, asking if Don C. Cozzetti had a conflict of interest in serving on the State retirement Board and the Board's Investment Advisory Council, when he was then also a director of the Union Bank. It is my understanding that following receipt of that letter, members of this Office indicated to you appropriate reasons for deferring the answering of your request.

Within recent months, Mr. Cozzetti resigned his membership on the Retirement Board. With that act, your request became moot. Our policy is to refrain from answering moot opinion requests so I hereby advise you that we will not be answering your request of February 28, 1978.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bob Corbin", is written above the typed name.
